

Effective firefighting instruction requires **real-world training scenarios**. Patriot Products works with local civil servants to **design, manufacture, and install** world class solutions to equip first responders to be ready to **answer the call**. From end-user needs to creative engineering to life-like atmospherics, **when seconds matter** and lives rely on muscle memory, we've got you covered. We create **custom solutions for training excellence**.

UNLIMITED CUSTOM CAPABILITIES

- Modified conex construction provides structural support for various training options
- The Patriot Joint System ensures a weather tight connection while allowing for future expansion or relocation
- Atmospheric options help to create life-like training scenarios
- Replaceable walls, resettable breach doors, multiple burn rooms, Denver / Cleveland Drills, confined space training areas, and provisions for water drainage and debris clean-up can all be included
- **Additional customization:** tell us your vision, and we'll work with you to design a solution

Patriot Products, LLC has become a leader in the defense industry by consistently delivering **unparalleled** service, **creative** dialogue, **innovative** product design, and a **collaborative** process.

CUSTOM SOLUTIONS FOR TRAINING EXCELLENCE
