

Known for our **consummate innovation** and **attention to detail**, Patriot Products continues to **change the face** of both the live-fire ranges and training aids industries with **custom concepts** and **one-of-a-kind craftsmanship**. We started as a **target company**, and while the needs of our customers have carried us into electronics and robotics, we still have a passion to **meet your requirements** and **exceed your expectations**. If you discover a challenge, we can **design a solution**.

SPECIALTIES INCLUDE

- Various types of reactive, non-reactive, swinging, and specialty targets for both handgun and rifle training
- All impact areas made of AR500 steel with other connecting pieces made from various metals to increase portability
- Rugged, heavy-duty, and long-lasting
- Both military-grade and consumer models available in many products
- Custom designs available upon request
- **Recent customers include:** Marine Corps, Army, National Guard, Navy, Coast Guard, Secret Service, FBI, DEA, NASA, SOCOM, & NSWG

Patriot Products, LLC has become a leader in the defense industry by consistently delivering **unparalleled** service, **creative** dialogue, **innovative** product design, and a **collaborative** process.

CUSTOM SOLUTIONS FOR TRAINING EXCELLENCE

Founded in Franklin, IN in 2008, **Patriot Products, LLC** is a small business (<50 employees) with an impeccable record of past performance that specializes in the **design and manufacturing of live-fire range and training aids**. Whether projects go through a **government prime** or directly to an **end user**, focus on **new installations** or **routine maintenance**, or require an **existing product** or a **custom concept**; we create custom solutions for training excellence.
