

The future of **Remote Controlled Moving Engagement Targets** is here. Introducing the fully redesigned **RMET-15 Multi-Platform** unit from Patriot Products. This 3rd generation **robot** features a **360° zero-turn-radius**, **HotSwap** battery compartments, and our new **QuickPlate “Robot As A Platform”** swappable deck. The **hit detect** technology with **timed automatic restart** initiates a dead stop and a **programmable pause**, easily discernible from a distance and confirmed by an illuminated **LED indicator** on the remote.
