PATRIOT PRODUCTS LLC

OUR MISSION

To deliver state-of-the-art, fully customized training solutions to our nation's warfighters and first responders. These solutions are meticulously designed to meet specific mission requirements and manufactured to the highest standards of quality and durability. Our goal is to ensure long-lasting, reliable performance. We stand proudly behind our products, offering unrivaled service, support, and maintenance. Through our commitment, we guarantee training solutions that withstand the test of time.

CUSTOM SOLUTIONS

Known for our consummate innovation and attention to detail, Patriot Products continues to change the face of both the live-fire ranges and training aid industries with custom concepts and one-of-a-kind craftsmanship. If you discover a challenge, we can design a solution.

MULTI-INDUSTRY

Specializing in live fire range systems and training aids, our ability to create custom solutions allow us to meet the needs of any emergency service or special operational outfit.

FOR PATRIOTS, BY PATRIOTS

We are a small family business comprised of combat veterans and dedicated civilian staff, who take pride in service to our military and first responders

Service, to those that serve.
